

z2-Environment - Bug #1022

gitcr priority misspelled in repos

30.03.2013 12:33 - Henning Blohm

Status:	Resolved	Start date:	30.03.2013
Priority:	High	Due date:	
Assignee:	Udo Offermann	% Done:	0%
Category:	z2-core	Estimated time:	0.00 hour
Target version:	2.2		
origin:			
Description			
It is actually gitcr.priority but most templates say gitcr.prio.			
They should be reviewed as this always costs an hour of debugging to find out!
