

z2-Environment - Bug #1030

Groovy add-on: Not working under Java 7

12.04.2013 10:20 - Henning Blohm

Status:	Closed	Start date:	12.04.2013
Priority:	Normal	Due date:	
Assignee:	Henning Blohm	% Done:	100%
Category:	z2-addon	Estimated time:	0.00 hour
Target version:	2.2		
origin:			
Description			
Problem is that source level must be explicitly specified. Otherwise the default (1.7) will be used which makes the compiler fail, as it cannot generate 1.6 target byte code from that.
