

z2-Environment - Bug #1529

dependency recompile removing non-regenerated resources

06.10.2013 10:33 - Henning Blohm

Status:	Resolved	Start date:	06.10.2013
Priority:	Normal	Due date:	
Assignee:	Henning Blohm	% Done:	100%
Category:	z2-core	Estimated time:	0.00 hour
Target version:	2.3		
origin:			

Description

With the revisit of the Java compile process a bug was introduced: Upon change of test dependencies, the impl generation of a previous make is replaced with the original resources although impl will not be rebuild.

That is: Restore before build is not working correctly.
