

z2-Environment - Improvement #1944

Return highest language level when undecided.

21.02.2016 20:54 - Henning Blohm

Status:	Resolved	Start date:	21.02.2016
Priority:	Normal	Due date:	
Assignee:	Henning Blohm	% Done:	100%
Category:	z2-core	Estimated time:	0.00 hour
Target version:	2.5		
origin:			

Description

When not being able to decide about a language level in BuildHelper, this is most likely due to running on a Java version that was not out at the time of development.

It is the safest thing to assume a newer version and to return the latest supported.
