

z2-Environment - Improvement #2063

Expose system states via JMX and enhance Management command line with state information

28.04.2020 10:09 - Henning Blohm

Status:	Resolved	Start date:	28.04.2020
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	2.9		
origin:			
Description			
Currently system states are not exposed via JMX which would be an easy way to tell on system health.			
Also, the management command line should be enhanced to provide a simple textual overview on states attained in home and worker processes.
