<b>Target version:</b>	2.9		
<b>origin:</b>			

#### Description

Currently system states are not exposed via JMX which would be an easy way to tell on system health.

Also, the management command line should be enhanced to provide a simple textual overview on states attained in home and worker processes.

#### History

##### #1 - 19.08.2021 21:55 - Henning Blohm

- Status changed from New to In Progress

##### #2 - 19.08.2021 22:21 - Henning Blohm

- Status changed from In Progress to Resolved

- % Done changed from 0 to 100
