

z2-Environment - Bug #2100

Web App resources not cleaned up on failed start

06.09.2021 15:47 - Henning Blohm

Status:	Resolved	Start date:	06.09.2021
Priority:	Normal	Due date:	
Assignee:	Henning Blohm	% Done:	0%
Category:	z2-base	Estimated time:	0.00 hour
Target version:	2.5.7		
origin:			

Description

In Jetty < 10 the start of a web app may already start session management and fail upon application start and subsequently does NOT stop session management again.

This may lead to a resource leak.

Acceptance Criteria

- Invoke `WebApplicationContext.stop()` in case the initialization of the Web App Context failed.

History

#1 - 06.09.2021 15:47 - Henning Blohm

- Category set to z2-base
- Status changed from New to In Progress
- Assignee set to Henning Blohm
