

z2-Environment - Bug #2158

Log Buffer Capping should still log all content and append newline

16.11.2023 10:21 - Henning Blohm

Status:	New	Start date:	16.11.2023
Priority:	Normal	Due date:	
Assignee:	Henning Blohm	% Done:	0%
Category:	z2-core	Estimated time:	0.00 hour
Target version:	2.11		
origin:			

Description

Currently, the log buffer limiting of [#2150](#) is writing the capped line and adds no new line.

Acceptance Criteria

- Limiting of lines as in [#2150](#) is enforced but logging wraps rather than limiting the actual output
