z2-Environment - Bug #2173

All exceptions thrown in class Z2JupiterTestServlet should be logged

07.03.2024 16:07 - Jonas Bassl

Status:	New		**Start date:**	07.03.2024
Priority:	Normal		**Due date:**	
Assignee:	Henning Blohm		**% Done:**	0%
Category:	z2-dev-utils		**Estimated time:**	0.00 hour
Target version:	2.11			
origin:				

Description

In class Z2JupiterTestServlet#service, only IllegalArgumentExceptions are being caught and therefore also logged.
Other exceptions are just "thrown away".
We should change that, so also other exceptions show up in the log, if it happens.

History
