|---|---|---|---|---|
| **Status:** | In Progress | | **Start date:** | 29.03.2025 |
| **Priority:** | Normal | | **Due date:** | |
| **Assignee:** | Henning Blohm | | **% Done:** | 0% |
| **Category:** | z2-base | | **Estimated time:** | 0.00 hour |
| **Target version:** | 3.0 | | | |
| **origin:** | | | | |

**Description**

# Acceptance Criteria

- We are on Jetty 12
- We have updated related Jakarta API, such as JTA
- After this, we are on Jakarta EE 9 - and hence on Servlet 5.0 and so on the jakarta.* namespace.
- See in particular https://jetty.org/docs/jetty/12/programming-guide/migration/11-to-12.html
